Int134

The diagram illustrates the layout of Int134, a T-junction where a north-south road meets an east-west road. The north-south road has two lanes in each direction, with a center turn lane. The east-west road also has two lanes in each direction. A bus stop, labeled "県病院電停" (Prefectural Hospital Electric Stop), is located on the west side of the north-south road. Traffic signals are shown at the intersection, with signal heads numbered 1 and 2. Dimensions are provided: 33.8m for the width of the intersection area and 27.6m for the length of the approach lane. A compass rose indicates North (N) is towards the top right. Circled numbers 3 and 5 are placed near the intersection.
