流動図

The diagram illustrates the layout of the station platform. It consists of two main parts: a side view on the left and a top view on the right.

Side View (Left): This view shows the platform's width and its position relative to the track. The platform width is labeled as 10.1m. The distance from the platform edge to the track centerline is labeled as 10.8m. The diagram shows the platform edge, the track centerline, and the distance between them.

Top View (Right): This view shows the platform's length and its position relative to the track. The platform length is labeled as 12.4m. The distance from the platform edge to the track centerline is labeled as 11.5m. The diagram shows the platform edge, the track centerline, and the distance between them.
