

Technical drawing of a road intersection. The drawing shows a central intersection with a crossroad and a side road. Dimensions are indicated in red text: 37.2m for the width of the crossroad and 32.0m for the width of the side road. Traffic signs are shown: a blue circular sign with '50' for the main road, a blue circular sign with '40' for the side road, and a blue rectangular sign with '50' for the crossroad. Lane widths are specified in Japanese text: 車線幅員 (Lane width) and 車線幅員 (Lane width). A north arrow is located in the bottom right corner.
