

Technical drawing of a road intersection showing four signalized approaches. The drawing includes labels for signal types (e.g., SGP 150(A)9000, CP9-19-350), signal heights (A型高機), and specific signal details like "点灯 φ250" and "7-AL=1.5". It also shows road names like "用水路" (waterway) and "道路" (road), and a speed limit of 50Km/h. A north arrow is present in the top right corner.
