

Flow diagram showing the movement of the '歩灯2' (Step Light 2) from the '歩灯1' (Step Light 1) position. The diagram is divided into three sections. The first section shows a horizontal path with a width of 8.1m and a length of 13.1m. The second section shows a vertical path with a width of 9.1m and a length of 8.2m. The third section shows a compass rose indicating the orientation.
