Technical drawing of a road intersection. The drawing shows a horizontal road on the left and a vertical road on the right. The horizontal road has a center line and two side lines. The vertical road has a center line and two side lines. The intersection is marked with a cross. Dimensions of 31.2m are indicated for the width of the intersection area. A north arrow is located in the top right corner, pointing towards the top of the page. The drawing is labeled with '4' in a circle at the top center and bottom center. The text '上天滿' is written on the left side of the horizontal road, and '至' is written on the right side of the vertical road. The text '2P' is written near the intersection on both sides. The text '1' is written near the intersection on the left side. The text '2' is written near the intersection on the right side. The text '31.2m' is written twice, indicating the width of the intersection area.
