

Diagram illustrating the intersection layout and dimensions:

- Intersection type: T-junction (Y-junction).
- Approach road (Left): 50km/h speed limit.
- Approach road (Right): 50km/h speed limit.
- Intersection dimensions:
 - Horizontal distance from approach road centerline to intersection point: 35.0m.
 - Vertical distance from approach road centerline to intersection point: 25.1m.
- Speed limit signs: "速度表示なし" (No speed limit sign) is indicated at the intersection point.
- Directional signs: "至 可部" (To Kabe) and "至 三次" (To Sanji) are shown.
- Other features: A hatched area is present on the left side of the intersection.

備考: PO はAプロのみ設定。
