The diagram illustrates a cross-sectional view of a ship's hull structure along the centerline. It shows multiple layers of plating, stiffeners, and bulkheads. Key labels include '1' and '2' for different structural elements, and '2P' for specific joints or connections. Numerical values '11.3' and '14.6' likely represent dimensions in meters. Orientation is indicated by a compass rose pointing towards '至新涯中央' (To New Edge Center) and '至福山港南' (To Fuyama Port South).

Flow diagram showing the intersection layout. The diagram includes dimensions (11.4m, 7.5m, 15.1m) and labels for pedestrian crossings (歩灯なし). A north arrow is present in the top right corner.
