

Technical drawing of a road intersection. The drawing shows a horizontal road with a vertical road crossing it. Lane widths are indicated as 39.0m and 23.8m. Speed limit signs are shown as 40Km/h. A north arrow is present in the top right corner. The drawing is oriented with the horizontal road running from left to right, and the vertical road running from top to bottom. The intersection is marked with a red dot. The drawing is labeled with '至府中市' (To Fuchu City) on the left and '至福山' (To Fuyama) on the right.
